

The Career Resource Centre's “Best Picks”

**Thinking about grad school or further education?
Here are some resources to help!**

Get Into Graduate School

By: Tim Haft

This resource covers everything from the kind of further education available and the basics of knowing what direction you want to go in post education and how to get there. The first part of the book starts off with focusing on knowing the kind of achievement you want to attain out of school and then coaches you on how to weigh your options in terms of what you can do with your degree. The rest of the book touches on how to pick your degree and tips on how to finance your way there! A great resource for anyone Post Grad!
