

Co-op Fees

For students in the **Business and Math Double Degree** program

All fees at Wilfrid Laurier University are:

- Payable at the WLU Business Office, prior to the beginning of the next academic term
- Subject to an interest penalty (currently 1.25% per month) on overdue accounts
- Charged on a per academic term basis
- Outlined in the WLU Undergraduate Calendar under "Fees"
- Subject to Board of Governors' approval and may change without notice
- Reviewed annually, with modifications applied to fall term fees.

Payment of Co-op Fees

The co-op fee is assessed to recover a portion of the overall costs of maintaining Laurier's co-operative education programs and promoting the programs to employers. Co-op fees become part of the general operating funds of the University. The Department of Co-operative Education is assigned a budget to cover salaries, travel, postage, telephone charges and other expenses. The University does not receive government assistance to offer co-op. All Laurier Co-op students pay a two-term fee before their first work term.

- The fee is currently charged at \$591.60 on a per academic term basis, unless otherwise indicated, as of July 1, 2010.
- For second year, the total fee for this academic year (\$1183.20) will normally be billed in July and due in August, prior to the beginning of the academic term.
- For third year, the fall term fee will normally be billed in July and due in August, prior to the beginning of the academic term.
- Subsequent fees are dependent on the sequencing of the third and fourth work term.
