All fees at Wilfrid Laurier University are:

- Payable at the WLU Business Office, prior to the beginning of the next academic term
- Subject to an interest penalty (currently 1.25% per month) on overdue accounts
- Assessed on a per academic term basis
- Outlined in the WLU Undergraduate Calendar under "Fees"

- Reviewed annually, with modifications applied to fall term fees.

Payment of Co-op Fees

The co-op fee is assessed to recover a portion of the overall costs of maintaining Laurier's co-operative education programs and promoting the programs to employers. Co-op fees become part of the general operating funds of the University. The Department of Co-operative Education is assigned a budget to cover salaries, travel, postage, telephone charges and other expenses. The University does not receive government assistance to offer co-op. All Laurier Co-op students pay a two-term fee before their first work term.

- The fee is currently assessed at \$568.85 per academic term, as of July 1, 2009
- For second year, the fall term fee is due no later than two weeks following the deadline for acceptance of your co-op offer.
- For second year, the winter term fee will normally be billed in November and due in December, prior to the beginning of the academic term.
- For third year, the fall term fee will normally be billed in July and due in August, prior to the beginning of the academic term.
- For third year, the spring term fee will normally be billed in March and due in April, prior to the beginning of the academic term.
