Terms 2 and 4	<ul style="list-style-type: none"> <li>• Co-op Placement</li> </ul>
Term 5 Winter	<ul style="list-style-type: none"> <li>• <a href="#">BU703</a> – Financial Economics</li> <li>• <a href="#">BU713</a> - Fixed Income Analysis</li> <li>• <a href="#">BU723</a> - Advanced Investment Management</li> <li>• <a href="#">BU802</a> – Research Methodology</li> <li>MS603 - Research Paper (RP) (May write CFA Level II Exam in June)</li> </ul>

**Note:** For the Research Paper, it is required that the student uses the research techniques and tools learned in Econometrics to conduct an empirical test of a finance problem using some of the finance databases. The prepared research paper will be presented before the Finance faculty in the final term. It should be noted that though the RP is not a thesis, it requires more detailed and analytical work than an independent study. The RP is equivalent to one course.
