Strengthen Your Organization

PUT OUR GRADUATES TO WORK FOR YOU!

Recruit from one of the following services – free of charge...

Graduating Student Employment Service

The Graduating Student Employment Service introduces you to talented students in their graduating year who can contribute significantly within your organization with their energy, skills and creativity. This program operates from September to June each year. Career Centre staff will work in partnership with you to develop and implement your recruiting strategy.

Alumni Employment Service

The Alumni Employment Service connects employers with qualified alumni candidates, from entry to senior levels. Upon receipt of your job posting, résumés from qualified alumni will be forwarded electronically within five business days. Job opportunities with immediate availability are accessible to all alumni electronically at your request.
